4. CONSENT AGENDA

- A. Consider acceptance and approval of FDOT Joint Participation Agreement, and Resolution Number 2018-05 for Update Master Plan Study.
- B. Consider approval of Task Order for Atkins for Update Master Plan Study.

President Crews updated the Board at last month's meeting the Board approved the FAA Airport Improvement Program Grant for an update of our Master Plan. The AIP grant pays for 90% of the project; the FDOT and the SAA each pay for 5% of the remaining cost. The Board is being asked to approve the corresponding FDOT Joint Participation Agreement (JPA) for that grant today as well as the accompanying resolution which will need to be signed today, as well as the task order for ATKINS, the consultant that will be performing the Master Plan Update. Agenda item A is for the approval of the FDOT Grant and Resolution; Agenda item B is the Task Order for ATKINS to perform the study.

Discussion ensued regarding going out to bid for these types of projects for increased competition rather than use one of the three (3) engineering firms currently under contract. President Crews explained that each of the three (3) consulting engineering firms was procured through a competitive bid process.

Motion by Board Director Smith, seconded by Board Director Bowlin to approve Consent Agenda Items A - B. Vote taken, none opposed. Motion passed.
