3. REVIEW OF INSURANCE QUOTATIONS

Chairman Longstaff discussed the RFP process. There was no written contract with Tony Russi Insurance Agency, Inc. It was determined Tony Russi Insurance Agency, Inc. has a 3-year contract by fact the company was awarded the RFP, and will be the agent unless the company cannot fulfill its obligations with the Airport.

Motion by Board Member Robertson, seconded by Secretary/Treasurer Donihi to accept traditional insurance, under discussion. Board Member Eckstein reiterated Tony Russi Insurance Agency, Inc. has provided quality service and agrees with the motion. Board Member Williams stated he does not like pool insurance and cannot support changing the Airport's agent for the last 30 years. Board Member Miller requested for Board Member Robertson to withdraw the motion and allow the presentations to take place; he can make the motion at a later time. Board Member Robertson withdrew his motion. Chairman Longstaff stated the loyalty should be to the Airport and doing what is best for it. If the agent is not in a position to provide a certain coverage, the Airport should not be restricted by saying it cannot look into other options.

Rick Russi presented the traditional insurance premiums and coverage. Discussion ensued.

Mr. Russi presented the Preferred Governmental Insurance Trust (PGIT) premiums and coverage. Discussion ensued. Two coverages were not included: storage tank pollution and clean up liability; and dormitory liability (current coverage is still active with other insurance). President Dale clarified the Airport does not insure tanks from tenants; and in regards to the dormitory, the Airport has an insurance policy from Delta Connection Academy for \$10 million with the Authority and the City as additional insured.

Daryl McLain introduced John Litton to speak on behalf of Public Risk Management of Florida (PRM). Since contract is an issue, he will assign 100% of the contract to Tony Russi Insurance Agency, Inc.

Andy Cooper presented the Public Risk Management of Florida (PRM) premiums and coverage. Discussion ensued. Two coverages were not included: the Police & ARFF AD&D; and coverage for the vault.

The Board requested that President Dale provide a synopsis of the coverage for the next meeting.

4. CONSENT AGENDA
