

Orlando Sanford International Airport

AVAILABLE AIRSIDE DEVELOPMENT AREA FOR LEASE

This one-half acre (+/-) lot located at the southwest ramp is available for hangar development. All utilities, water, sewer, three phase power, is available to the site. The Sanford Airport Authority's IT department can provide high speed internet and telephone service.

Orlando Sanford International Airport (OSIA) is conveniently located in Seminole County with easy access to interstate highways. OSIA has four runways with a 11,002-foot-long commercial service runway (9L- 27R). Customs and Border Patrol services are available for both commercial and private international flights. OSIA hosts an 1,800-acre Foreign Trade Zone. OSIA's tenants offer MRO and FBO services, flight training, and commercial services.
